

Mount Litera Zee School-Ratlam

ANNUAL REPORT 2019-2020

FOREWORD

In its ninth year since its foundation in 2011, Mount Litera Zee School, Ratlam, has made giant strides of progress. In imparting quality education to students from the Beginning to the Finishing stage, the institution has made its presence felt among contemporary schools of Ratlam, in remarkable ways. The school has a formidable team of mentors and the supporting staff, which pool in their skills and prowess to mould and shape students into mature and responsible students, besides enabling them to bring laurels in various competitions and events, both co-curricular and extra-curricular.

Vivid details are given in the school's Annual Report, as under:

Academic Performance:

The school had encouraging results of the XII Board examinations. Khushi Kawadiya, who scored 82%, Kamlesh Patidar, who scored 78.6% and Ayush Saktawat, who scored 66.4%, were students of the first batch of grade XII.

The X Board Examination results equally had more to cheer about. The school showed 100% result. 21 students had appeared of which 12 attained Distinction. The school's average was 75% overall.

This only reinforces the diligent and sincere efforts put in by students, and equally highlights the competent teaching and efficacious mentoring given by the teaching fraternity, which is the hall mark of Mount Litera Zee School, Ratlam.

Infrastructural facilities:

With the aim of ensuring that students get the best environment for learning and growing, Mount Litera Zee School, Ratlam, provides adequate infrastructural facilities. The school's perceptible improvements through additions to the existing facilities have been the salient features. Laboratories are upgraded, with new equipments, tools and accessories being added. Classrooms are improvised to ensure that students get the right atmosphere when receiving learning, being spacious and well-ventilated. Washrooms are ensured to be kept clean and hygienic. A multi-purpose arena is constructed and functional, wherein events and functions were held in a grand way. The conference room for conducting seminars, training programmes and student competitions has been made ready and has been productively used. In sum, the school has an infrastructure that is state-of-the art and a marvel.

Transportation:

MLZS, Ratlam, has a fleet of buses to cater to students living in various areas of the city that are fairly widespread.

During 2019-2020, 5 new buses were procured, making the overall count to 24.

Escorts and attendants accompany students and help them reach school and home, safely and securely.

Regular maintenance and upkeep of the buses ensure that they are in good, running condition. Drivers and other staff are a diligent and a dedicated lot, with a long standing association with the institution.

Efforts are being made to ensure that transportation of students is done with few glitches, few complaints, taking good care of the logistics involved.

Sports and Physical fitness:

In order to make learning holistic and all-encompassing, Mount Litera Zee School, Ratlam, has given importance to physical fitness and sports. Students have taken part in various sporting events, both in the school and outside the school and have brought laurels, with their performances and attainments. Special mention is made of the school's Annual Function, which was held on 5 December, 2019. It was grand and magnificent overall, eliciting an appreciative response from parents and patrons alike.

Tanishka Dave of Grade 2, took part in the CBSE National Skating Competition, held in Belgaum (Karnataka), winning the Fifth position, which was a matter of great pride for the institution.

The school hosted Taekwondo competition at the Divisional Level. Besides, District Level Skating competition was also hosted by the school.

The school's PT instructors are always on the run to ensure that the students are not lagging behind in the aspect of keeping themselves fit and healthy. Required workouts and exercises are carried out in the periods allotted for the same.

Human Resource Capital:

Mount Litera Zee School, Ratlam, boasts of quality teachers who go the extra mile to give the much-needed quality education to students, for which the school has become an eminent hub. During the academic year in question, there was an addendum of teachers, who joined the team after a rigorous selection and screening process, having good credentials and accreditations. Ten teachers were appointed to replenish the faculty. There were attritions too.

The school is continued to be headed by Mrs. Vijaya Ravi, with more than 25 years of teaching and administrative experience in various schools, and in various places. She is efficiently guiding the institution.

Teachers are given sufficient opportunities for their grooming and shaping, so that they become well honed and proficient in their areas of scholarliness. Workshops, seminars, symposia and such academic events were organized towards this objective. These cover a wide range of areas, where the required skill sets to benefit students need to be honed.
